We would like to welcome you to our dental practice and take the opportunity to share with you a little of what you can expect from our team.

We are excited about the advancements and choices in today's dentistry and how they can benefit you. We are committed to applying the theories and benefits of modern dental care in your treatment. We believe that all patients deserve to know what is available and what treatment will support their long-term dental goals. Through proper preventative care and regular visits, we believe that by working together we can create a plan to keep your teeth strong and healthy for a lifetime.

As a patient you can expect from us:

1. Outstanding care from a team with exceptional professional skill and ability
2. Dedication to your long-term dental health
3. Minimized need for costly reconstructive work through proper preventative care
4. Commitment to making your visits as comfortable as possible
5. The right treatment for you, at the right time for you
6. Fees that are fair and just for the services we provide

In order for us to continue to provide our patients with outstanding service and optimum dental care, we have found it to be helpful if you:

1. Incorporate the oral health routine suggested by our office into your daily life
2. Allow us to help you schedule and keep your reservations
3. Let us know how we can serve you!

We are grateful for our newly formed relationship and sincerely appreciate the opportunity to help you obtain your dental goals. We want this relationship to be mutually beneficial, so please know we are here to listen to you. Should you have any questions or concerns about your dental health, proposed or completed treatment or about our office, please do not hesitate to let us know how we can provide you with information and assistance.

Best regards,

Stephen A. Miller, DDS
